

RCPE TRACKS AT-A-GLANCE

		Network & Infrastructure Visibility Track	EUE & Application Visibility Track (Aternity Division)	WAN Optimization Track	Network Configuration Track
<p>PROFESSIONAL</p> <p>Specialization on advanced services of implementation, operations, administration, and support for performance management solutions</p> <p><i>Self-Paced</i></p> <p><i>Instructor-Led</i></p> <p><i>Virtual Instructor-Led</i></p> <p><i>Dedicated Onsite</i></p>	<p>Professional Level</p>	<p>Aggregate Visibility</p> <p><i>Portal</i></p> <p><i>AppResponse</i></p> <p><i>NetIM</i></p> <p><i>NetProfiler</i></p>	<p>End-User Visibility & Analysis</p>	<p>Enterprise WAN Optimization</p>	<p>Network Planning & Configuration Management</p>
		<p>Packet Visibility & Analysis</p> <p><i>AppResponse</i></p>			
		<p>Flow Visibility</p> <p><i>NetProfiler</i></p>	<p>Application Visibility & Analysis</p> <p><i>ApplInternals</i></p>	<p>Implement WAN Optimization</p> <p><i>SteelHead</i></p>	<p>SD-WAN Enhanced Network Configuration</p> <p><i>SteelConnect EX</i></p>
<p>ASSOCIATE - Free with Support</p> <p>Develop skills on the application of performance engineering solutions for those new to performance engineering</p>	<p>Associate Level - <i>Self-Paced Only</i></p>	<p>Network & Infrastructure Visibility</p>	<p>EUE & Application Visibility</p>	<p>WAN Optimization</p>	<p>Network Configuration</p>
<p>FOUNDATIONAL - Free</p> <p>Preparation to learn how software defined solutions solves for the performance of enterprise IT</p>	<p>Foundations Level - <i>Self-Paced Only</i></p>	<p>Performance Foundations</p> <p><i>For more information:</i></p> <p>https://education.riverbed.com</p>			

Note: As of Nov 1, 2019, the RCPE Associate Level training is free to all Riverbed customers with an active support contract.
